

MINISTOCK CLASS NEWSLETTER – November 2009

Well, despite and unkind weather, Kevin and Craig have managed to Mentor our new drivers through to Speedway New Zealand Officials approving their licenses, therefore on that note, a huge “Well done” to Annemaree Warrender, Kyle Ashton, Jared Scarrott, Ethan Attenborough, Logan Trotter, Briar Loveridge, Curtis Rowtree, and Zachary Boder.

After the bumper checks were undertaken last meeting, we have had clarification and confirmation that the heights are determined as at “Race ready” ie Driver in the car.

As previously advised at our Drivers brief meeting, despite all the hard work by Wendy to organise to travel to Gisborne as a group, and race on 12 December, it has not come together as hoped. Sorry to those who registered their interest, and thanks to Wendy for trying.

The Web page is 99% reliable for accurate and up to date information, therefore we encourage you to keep an eye on the site for changes etc. Under no circumstance are you to contact Red directly!!!!

We have been very lucky to have the support of the company that produces the Programmes that are sold at each meeting, whereby they have dedicated a page to us, at no cost to the club!!!! We are using this opportunity to acknowledge our “Driver of the night” and other awards and to thank sponsors etc, so keep an eye out for your name and picture, and make sure you get a copy.

As our last meeting was rained out, the club have transferred it to 19 December so don't forget to register to race!!!

The Chocolates fundraiser went well, and with your support we will do this one again as a part of our fund raising. If you have not already handed in your money envelope, PLEASE ensure you do it this weekend.

The BBQ is going from 4pm to 5:00pm so bring your appetite!!! \$1 sausages \$3 steak sandwich.

Recently we had visiting cars for the Friday 20 November meeting and it went well, all contributing their \$5 to race at our track and sign our Black and White book. We are now getting a lot of requests for racing at our meetings therefore your registrations by Wednesday 7:30pm are imperative!!! We don't want to replace you.

Just another point of clarification, The Black and White Book has been introduced as a guideline to racing at Huntly. It is designed so that everyone participating has a voice and it is to be used in a positive and proactive manner. If we are to work towards a successful race season, we have to work together, and that includes everyone offering suggestions, improvement, and assistance.

For those interested, Patrick Sarjeant has offered assistance with teaching welding techniques etc and can be contacted on email patrick.nicole@xtra.co.nz

*Regards
Sharyn and Wendy*
